MASK-FRIENDLY POLICY

POLICY:

To ensure individuals who prefer to continue wearing masks beyond the minimum requirements set out by either the Ministry of Health, Public Health or LMH, and during non-outbreak situations can do so.

PROCEDURE:

LMH will make available masks for staff, volunteers, visitors, and residents at all times who prefer to continue wearing a mask.

Residents or substitute decision makers may also request that a staff member wear a mask when providing care, in alignment with the Residents' Bill of Rights, for which masks will be made available.

Masks will continue to be made available at all entrances to the Home and in all resident care areas.
