**NURSING STATION CLEANING SPECIFICATIONS**

**POLICY:**

Nursing Stations will be cleaned during low traffic times as part of the daily housekeeping assignment.

**PROCEDURE:**

Housekeeping staff will:

- 1) Clean counter top, phones, and all parallel surfaces with germicidal disinfectant daily.
- 2) Remove garbage.
- 3) Wet mop complete floor or vacuum if applicable.
- 4) Clean air vents on a weekly basis to remove dust/dirt build up.
