

# LMH Vision, Mission, & Values

Throughout 2023 and 2024 we contemplated the accuracy of our mission statement, bible verse, and logo. We re-identified our values and developed new versions of these items, as well as a vision statement, that pinpointed the purpose of our Home and the values that guide our work.

The comprehensive list of LMH values can all be encompassed in a single image seamlessly sewing them together: a quilt.
