DIETARY PROFILE AND NUTRITION ASSESSMENT

POLICY:

LMH will have a dietary profile completed for each resident by the Director of Dietary Services within 7 days of admission.

The Resident will have a nutritional assessment completed within 21 days of admission by the Registered Dietitian.

PROCEDURE:

The Dietary profile shall identify the resident's dietary needs, food preferences and any special requirements.

When a resident needs a change to the texture of their diet (i.e., minced or pureed) a Nutritional Assessment needs to be completed prior to the change.
