PHYSICAL EXAMINATION & MEDICAL ASSESSMENT

POLICY:

To ensure accurate resident medical information is available for each resident.

PROCEDURE:

1. Upon a resident's admission to the Home, an admission physical is scheduled. The physician will complete a computerized Admission Physical Examination and Medical assessment in the resident's electronic chart.
2. Yearly, each resident will receive a physical examination from the physician. The physician will update the computerized Annual Physical Examination and Medical assessment in the resident's electronic chart.
